Vendor Options & Pricing

We have changed available quantities of tables, limits on the number of tables, and prices of tables.

Each (non-demo) table purchase comes with 2 vendor badges for the weekend. Vendor badges allow running and playing in ticketed events during Con of the North 2024. Additional vendor badges are \$40 each. Vendor Aide badges are \$2; these badges are allowed to run ticketed events, but not play in ticketed events. Vendor Aide badges allows booth helpers to get in/out of the Vendor Hall outside of posted hours and identifies them a crewmember of a Vendor.

****Outer Track Vendor Booth**** (13 tables total): A 10' by 10' space including wall space behind the area for displays along the outer walls of the vendor hall. Vendors may apply for up to **TWO** of these spaces.

****NEW - Corner Booth**** (3 spots total): 10x20 space with a little extra room into the corner. This booth contains 2 tables. These are tables 2-3, 8-9, and 18-19. Please see the redesigned map here:

****Inner Track Booth **** (10 tables total): A 8' x 8' space. Free-standing displays may be used behind the table. Ideal for vendors with smaller displays that can fit on a table. Vendors may apply for **ONE** of these spaces.

****Demo tables****: These tables are for vendors to run games for attendees, either established games or beta test. They are limited in number and on a first come/first serve basis. They are located right outside the Vendor Hall. No sales nor storage will be allowed on these tables. Please staff accordingly to cover games at these tables along with the required staffing of Vendor booths.
