

Volunteer Registration Discount Policy

To incentivize our community to participate and engage within Con of the North in a more regular and consistent basis, volunteers who put in considerable time prior to the current year's convention will be granted reduced rates for the following year's convention. The reduced rates would grant the volunteers either a 50% or 100% discount to the next convention year.

The criteria for discounts is as follows (**Note:** These criteria are specifically for hours volunteered outside of the actual convention):

- Attending 4 Council meetings or volunteering at least 10 hours provides a 50% registration discount.
 - Council and committee meetings count towards hours total.
- Attending 9 Council meetings or volunteering at least 20 hours provides a 100% registration discount.
 - Council and committee meetings count towards hours total.
- Attending 4 Council meetings **and** volunteering at least 10 hours for 100% reg discount.
 - Council meetings **do not** count towards hours total.
 - Committee meetings count towards hours total.
